### Always Include a Title

Paragraphs begin indented (always). Everything throughout the paper is double-spaced. If your paper does not follow this format, Mrs. Helzer will be very sad and will dock your points to make herself feel better about teaching; if you wish, you may imagine a maniacal laugh at this point. When you are done with the paragraph, begin a new one. If the paragraphs in your paper make its length more than one page, then please insert a header at the top right corner of EVERY page with your **last name, a space**, and then the **page number**. As always, please pay close attention to the 6 Traits of Writing. We studied them for a reason, so use them. Please notice my font...see how it's readable and not obnoxious? Please do not use obnoxious fonts that make Mrs. Helzer strain her eyes. Be sure you are using **size 12 font**, not **size 18**, **size 16**, **size 14**, **size 11**, **size 8**....you get the hint. ☺ Yes, yes there are quite a few rules to keep in mind when writing an essay, but such is life.
